

Fr. Jenkins at Benediction

“Everything was wonderful. I had a great time and enjoyed the talks.”

“A wonderful experience - marvelously providential.”

The Altar in the Chapel

Our Lady of Fatima Statues

“The new Chapel and Conference Center are excellent, as well as the food! The Conference topics were well selected and pertinent.”

Fr. Greenwell at Benediction

“The retreat is like a life preserver thrown to your soul when you are afloat in the middle of the ocean. Instead of being helplessly pulled along by the putrid currents of the world, the priests, the saints, Our Lady and, of course, Our Lord redirect your course to the safety of a holy and spiritual life. The retreat should be an indispensable part of every Catholic’s year.”

Men's Retreat

“Thank you so much for all your hard work in making the Men’s Retreat a wonderful experience. I enjoyed it so much. I will always remember this quote: “Humility is the field in which all other virtues play.” It was a life-changing event. I enjoyed all of the talks as well. Thanks, again.”
